

President's Report

Appendix I

2021 AGM held on April 3, 2022.

I would like to take the opportunity to thank the Committee and members of the club for their support over the past twelve months. It has been a very trying time dealing with Covid and the many weeks of constant rain but in the background the Committee have been meeting on a regular basis to improve the structure and standard of the classes, update the class requirements so all instructors are teaching the same standard throughout the club. Which means any instructor can take any class and just flow on from the previous week's instruction.

We are encouraging members to compete in Dogs Australia competitions, for example, Obedience, Rally, Tricks, Agility, Heel Work to Music and Freestyle Dance, to represent their club with confidence and pride as well as providing the best our instructors can deliver to the general public who aspire to have a well-trained family pet.

We will continue to work hard for you and The Eastern Suburbs Dog Training Club, promoting a well-balanced, educated and socially accepted dog to live happily in the community.
