

Julie Brandon and Penny

I originally joined Eastern Suburbs Dog Training Club in 1975 with my first pug Porky and then again in the early nineties with my second pug Otis.

I have now been a member of the club since 2010 when I joined with my pug Lucy and now train my pug Penny at the club.

I have been a committee member for about 13 years, serving as ordinary member, Secretary and Vice President. I have also been Trial Secretary for the club for many years as well. This means that I help organize our yearly trial by getting all the entries together and making the catalogue for the day's events.

I have been a member of Dogs NSW for about 13 years.

I have trained 4 dogs with the club as previously mentioned. The latest has competed in and has titles in Obedience, Rally, Agility and Tricks. She also has passes in Scent Work.

I completed the in-house training scheme at Eastern Suburbs Dog Training Club and have been an instructor for about 11 years.
