

Debbie Varnay

I have had dogs all my life but have been training and trialling dogs only since 1989. I have trained 7 dogs in this period ranging from Rottweilers, Ridgeback, Kelpie and various rescues. Earlier in my journey in dog's sports I completed a Delta course cert IV in animal behaviour and training.

During my time in dog's sports I have achieved my CDX with my Rottweiler (Valkyrie) and ADM and JDM with both my dogs Becky and Cassie also there CD. My current dogs Evie RE. TK.I and Raya RM. TK.I and FS.S.

I have previously instructed at Northern suburbs in both Obedience and Agility and am currently instructing at Metropolitan Mid-Week in Obedience and taking a Tricks class here as well. I am also currently their Trial Secretary.

I was asked by Vicki if I could help out with instructing at Eastern Suburbs 2 years ago and am happy to help out on the committee.
