

Peter Read

I have recently rejoined the Dog Obedience fraternity after taking a sabbatical bringing up my three (human) children. I joined the Eastern Suburbs Dog Training Club Inc., as my local club, and have been instructing classes over the last few months with my Airedale, Miss Ellie.

Previously, I started Dog Training with my Samoyed / Goldie X, Kim. After many initial training frustrations, we ended up going through Obedience and graduating with our U.D. Title. I have also trained and trialled two other dogs, my gorgeous Old English Sheepdog / Irish Wolfhound X, Bella and my Border Collie, Calais. During this time, I was also an Instructor and President of Sydney All Breeds Dog Training Club.

Prior to going on sabbatical, I was an Obedience (up to Open level) and an Agility Judge. I have recently successfully completed a theory and practical course to regain my Obedience Judging Licence. For those of you who are getting close to trialling, feel free to ask me to put you through a mock trial.

I am really enjoying instructing at Eastern Suburbs, catching up with old friends, meeting new ones, and giving back to the wonderful Dog Training community. I am seeking a term as Club Treasurer to continue to make a positive contribution. I think this is the right role for me as I am a qualified Accountant, in my working life.

Peter
